

## **ACCEPTABLE ITEMS:**

AIR CONDITIONERS

CLOTHES WASHERS & DRYERS

PROPANE BOTTLES

BATTERIES – (vehicle batteries) You can dispose of the basic battery (AA, AAA, 9V, etc.) in your trash can.

FURNACES & ELECTRICAL HEATERS

WATER HEATERS

REFRIGERATORS & FREEZERS

STOVES & OVENS

FURNITURE

TIRES - \$2.00 per tire for businesses

## **NON ACCEPTABLE ITEMS:**

NO BRUSH OR LEAVES

MEDICAL LAB & HOSPITAL SCRAP MACHINERY

GASOLINE & FUEL TANKS – The Centre County Recycling Center will accept these items if they are dry and empty.

DRUMS, BARRELS & TAR BUCKETS – The Centre County Recycling Center will accept these items if they are dry and empty and if the drums & barrels are cut in half.

PIPE OR BOILERS WRAPPED IN INSTALLATIONS

MICROWAVE OVENS/TELEVISIONS/COMPUTERS – The Centre County Recycling & Refuse Authority does accept these items at no charge at their drop off location at 253 Transfer Road, Monday – Saturday from 8 am – 4 pm.

LIGHTING FIXTURES – Centre County Solid Waste has a permanent free Compact Fluorescent Light bulb (CFL) recycling program in place. Drop off bulbs at recycling center. CCSW will only accept unbroken bulbs.

If you choose to dispose of your old CFL's, make sure to seal the bulb in two plastic bags before throwing in trash. CFL's do contain a small amount of mercury which may be released in the landfills and contribute to water and air pollution.

If you have long tubes to recycle, The Hite Company, located on Benner Pike, will recycle your CFL's if you have large quantities of them. Hite charges a nominal fee of \$.50/bulb with a minimum of 15 bulbs.

ANTI-FREEZE & MOTOR OIL – There are several drop off locations in the State College area. For a list of those locations please visit <http://centrecountyrecycles.org/recycling/auto-waste>

LATEX PAINT CONTAINERS WITH UNUSED PAINT – What can you do? If you must throw it away, try one of the following:

- Mix leftover paint with clay based kitty litter. When paint is dry you can dispose in garbage
- Purchase paint solidifier, follow the directions and dispose of when paint is dry.
- If you are overwhelmed with latex paint, the Solid Waste Authority's Transfer Station is allowed to accept up to 5 gallons of latex paint per person per day. There is a \$10.00 minimum charge for this service.

ANY SCRAP MATERIAL CONTAINING HAZARDOUS MATERIAL
