

HALFMOON TOWNSHIP PARK'S & RECREATION BOARD  
MINUTES OF 5-10-2011 MEETING

Present: Todd Kirsten, Jean Miranda, Kim Hyeseon

Meeting was called to order by the Chair, Todd Kirsten at 7:10 p.m.

Todd advised the board that he had received a report from Township Manager, Susan Steele prior to calling the meeting to order due to Susan having to participate in the Planning Commission's meeting at 7 p.m. Susan informed Todd that the Summer Park Program currently had 32 Registrants and the township office had received 16 applications for Program Leaders. She also stated that a construction bid for the Municipal Park tennis court/ice rink was approved by the Board of Supervisors and work is set to start early in July and should be completed by the beginning of August. Todd asked about the maintenance of the ice rink's surface and what equipment may be necessary. Susan stated the township already possessed equipment for smoothing the ice.

Approval of 4-5-2011 minutes was tabled until 6-14-2011. The minutes from 4-5-2011 and 5-10-2011 will be on the agenda for approval at the 6-14-2011 meeting.

The 2011 Easter party was discussed. The board members felt it went very well and everyone who attended seemed to have a great time. It was noted that attendance seemed to be equivalent to the 2010 Easter party. We then moved to the topic of changes or improvements for the 2012 Easter party. Todd mentioned splitting the egg hunt into three age groups because of the youngest kids not being able to gather eggs as quickly as the older kids. Jean suggested possibly looking into other entertainment for next year's party. The tumble bus was mentioned. Todd brought up the idea of having 2012's party outside at the park's pavilion if the weather permits due to congestion in the meeting room at peak attendance. That decision would be made a day or two before the party, and if so, setup would take place directly prior to the party. It was agreed that all these ideas would be placed on the agenda for discussion at the beginning of 2012. Conversation took place regarding the proposed Wildlife Corridor parking lot. It was recognized that anyone who would like to voice their opinion on the proposal should attend the 5-12-2011 Board of Supervisors' meeting.

The P&R Board adjourned at 8:00 pm for the joint P&R/PC meeting.
