APPROVAL OF MINUTES

The 5-1-2014 regular meeting minutes were unanimously approved.

MOVIE NIGHT DISCUSSION

The board unanimously agreed they would be interested in hosting a community "Movie Night" in 2015. Board members discussed the cost of obtaining a movie with the appropriate licensing through a movie house. They also discussed estimated costs of other necessary equipment such as an inflatable movie screen, appropriate projector, and audio equipment. It was agreed that board members would research possible options and cost for renting this equipment and bring that information to September's meeting so that a total cost for the event could be calculated. This total cost would then be used to submit a formal request to the Board of Supervisors for funds in the FY 2015 budget.

The board briefly discussed other details such as time of year to hold the event, location, and local organizations that may be interested in providing support in the form of co-sponsoring, food and beverage, and promotion.

MASTER SITE PLAN UPDATE

It was stated there has been a good response to the electronic survey pertaining to the township's parks. There should be a more thorough update regarding the actual preliminary draft of the site plan at either the September or October meeting.

OPEN DISCUSSION

The park rule pertaining to the prohibition of firearms in the township's parks was discussed. It was determined that any decision regarding this rule was essentially outside of the Park and Recreation Board's role as an advisory group as this is strictly a legislative issue based on local and state statute which the board has no authority over.

Adjourned at 8:15 pm.
