APPROVAL OF MINUTES

The 2015 Reorganization Meeting (1-15-2015) minutes were unanimously approved.

MOVIE NIGHT

There was discussion on whether to hire a company [FunFlicks] to handle all things related to the actual "showing" of the movie (i.e., inflatable screen, HD projector, DVD/Blu-ray player, sound system, equipment tables, and all necessary cables). This service would include delivery, setup, playing the movie, and tear down. Based on preliminary information and estimated cost, board members felt this sounded like a very good option. More detailed information will be gathered and presented during the regular meeting in April.

There was continued discussion on the event's date and location. There was consensus for the event being held at Municipal Park on a weekend date in September 2015. However, the final decision on all of these points will be made once additional information is received from [FunFlicks], and has been reviewed and discussed by the entire board. Once made, all decisions will be included in a formal recommendation presented to the Board of Supervisors.

EASTER PARTY

The party setup date was scheduled for Saturday, March 28, at 6:30 pm. The supply list was reviewed and the board members agreed that the party has gone very well over the past number of years and there was no need to make any changes for this year's event.

OPEN DISCUSSION

The board members were informed that the Parks Master Site Plan consultants will be presenting their draft concept at the 3/26/2015 Board of Supervisors meeting.
