**APPROVAL OF MINUTES**

The minutes from the 5-7-2015 regular meeting were unanimously approved.

**MOVIE NIGHT**

Board members discussed possible movie titles and narrowed down the list to four (4) titles that will be included in a survey. It was agreed that the survey should include the year of the movie so there's no confusion with more recent adaptations. The movie titles that were approved by the board for the survey were:

- Charlotte's Web (Animated)
- The Muppet Movie
- Antz
- Horton Hears A Who! (2008)

The board will review the survey results and make a final decision on the movie title at its August meeting. A movie license for that title will then be acquired prior to the event on Saturday, September 12.

Discussion took place regarding the outreach to local non-profit groups to ask if they would be interested in providing concessions at the event as a fundraiser for the organization. It was agreed this would be a good idea and groups will be contacted prior to the event.

**OPEN DISCUSSION**

Mr. Dillon asked about the Parks Master Site Plan schedule. Mr. Kirsten responded saying the consultants (JMT) were finalizing the operations and maintenance (O&M) cost estimates, as well as some other figures that were requested by township staff and supervisors, and the plan should be back in front of either the steering committee or the Board of Supervisors sometime over the summer. Mr. Kirsten told the board he would notify them as soon as there was a date set for the next presentation of the plan.

Adjourned at 7:58 p.m.
