

Your Goodwill will be at the Riff Raff/Community Yard Sale May 18 and 19 to take any items you may have.

Goodwill turns your donations into training and employment opportunities for people who face barriers to employment. They accept clothing, shoes, accessories, scrap metal, housewares, furniture and electronics. By donating to Goodwill you are helping us keep over 5 million pounds of would-be garbage out of landfills each year. Goodwill even collects torn or stained clothing for recycling.

It's hard to say "no thank you" to any donation when they help fund Goodwill Programs, however, there are some items that Goodwill cannot accept:

- Household chemical products: pesticides, paint, paint thinner, drain cleaner, oven cleaner, aerosols and other environmentally unfriendly waste products.
- Automotive hazardous waste: tires, lead acid batteries, additives, gasoline, oils, antifreeze
- Large appliances: refrigerators, freezers, stoves/ovens, washers/dryers, air conditioners, dehumidifiers, furnaces, microwaves, trash compactors, water heaters, large console stereos, freon-based appliances
- Mattresses/box springs, including waterbed mattresses and frames
- Carpet or carpet padding
- Plumbing fixtures or building materials
- Traditional recyclables: glass, newsprint, office paper, cardboard, plastics, magazines, junk mail
- Weapons: guns, bows and arrows, ammunition, hunting knives
- Cribs, car seats, walkers or other products that do not meet the current safety standards of the US Consumer Product Safety Commission, including recalled items

If you are unsure about any item you would like to donate, check with a friendly Goodwill Truck driver!

Please visit our website at www.goodwillinc.org to see the many other things Goodwill Industries of North Central PA does.

Thank you for allowing us to be a part of your day!
