MICROWAVE OVENS/TELEVISIONS/COMPUTERS – The Centre County Recycling & Refuse Authority does accept these items at no charge at their drop off location at 253 Transfer Road, Monday – Saturday from 8 am – 4 pm.

LIGHTING FIXTURES – Compact Fluorescent Light bulbs (CFL) recycling receptacle locations: Centre County Recycling & Refuse Authority, Home Depot and Lowe's.

- If you choose to dispose of your old CFL's, make sure to seal the bulb in two plastic bags before throwing in trash.
- Long, florescent tubes (from households) can be recycled at the annual spring Household Hazardous Waste Collection event.
- Long, florescent light tubes (from households) may be disposed of with regular trash. Place your light tube next to your refuse container in plain sight for your refuse driver to see.

ANTI-FREEZE & MOTOR OIL – There are several drop off locations in the State College area. For a list of those locations please visit <http://centrecountyrecycles.org/autowaste>

LATEX PAINT CONTAINERS WITH UNUSED PAINT – What can you do? If you must throw it away, try one of the following:

- Mix leftover paint with clay-based kitty litter. When paint is dry you can dispose in garbage
- Purchase paint solidifier follow the directions and dispose of when paint is dry.

If you are overwhelmed with latex paint, the Solid Waste Authority's Transfer Station can accept up to 5 gallons of latex paint per person per day. There is a \$20.00 minimum charge for this service.

ANY SCRAP MATERIAL CONTAINING HAZARDOUS MATERIAL
