HALFMOON TOWNSHIP APPROVED BUDGET

Halfmoon Township

Memo

To: Board of Supervisors

From: Brett G. Laird, Treasurer

Date: November 10, 2022

Re: FY 2023 Deficit Spending Plan

The definition of deficit spending is when a government's expenditures exceed its revenues during a fiscal period, causing it to run a budget deficit.

The official documentation that would determine when deficit spending has occurred is the Municipal Annual Audit and Financial Report (DCED-CLGS-30), filed annual by our contracted CPA Firm to the Pennsylvania Department of Community and Economic Development (DCED).

Historically, DCED does not promote or recommend deficit spending under any circumstance. If deficit spending occurs, DCED would flag the township report and check with the Township to ensure the township is fiscally sound and or responsible or what exactly caused the deficit spending. DCED must ensure the deficit spend was intentional and is not a result of poor fiscal management.

Throughout the past few years, there has been a growing unreserved fund balance in the General Fund. It is projected that by December 31st, 2022, the township will have an estimated Fund Balance of \$1,286,989.05. Typically, a municipality will reserve the first four to five months of finances to be able to cover the expenses until the new tax revenues are deposited. Therefore, if the township accounts for \$400,000.00 of a reserved general fund balance to cover the first five months of expenditures, the remaining unreserved fund balance is estimated at \$886,989.05.

During the October 17, 2022, Board of Supervisors Budget Meeting, the board discussed the topic of possibly deficit spending an amount of the unreserved fund balance to certain committed projects and plans and save the remaining unreserved fund balance to determine its use in the 2023.

The projects that the Board of Supervisors committed to for deficit spending for FY 2023 are listed below, in no particular order:

- 1. Autumn Meadow Park Loan (\$280,134.45)
- 2. 2018 Western Star Lease-to-own (\$28,516.30)
- 3. 2022 Case 580SN Backhoe (\$134,360.00)
- 4. Municipal Building Roof Maintenance/Repairs or Replacement (\$20,000.00)

The first three items are exact quotes and pricing that has been determined the fourth item is an estimate, that may or may not need to go through the bidding process depending on projected costs, which means the price may be increased due to material and labor costs being on the rise.

The remaining projects were determined to be necessary and earmarked for completion in 2023 but no commitment was provided to determine them as official projects for 2023, these projects are listed below, in no particular order:

- 1. Buckhorn Road (\$122,340.00)
- 2. Shanelly Drive (\$71,346.60)
- 3. Tow Hill Road (\$119,565.00)
- 4. Smith Road (\$70,000.00)
- 5. Municipal Building Exterior (\$25,000.00)
- 6. Municipal Building Interior Ceiling (\$500.00)
- 7. Maintenance Building Roof (\$25,000.00)
- 8. Autumn Meadow Park Snack Shack Roof (\$10,000.00)
- 9. Municipal Lane Park Snack Shack Exterior (\$3,000.00)
- 10. Municipal Lane Parking Lot (\$20,000.00)

All ten of the items listed above are estimates and may need to follow the bidding process depending on actual costs. Throughout 2023, the board will be able to evaluate and determine what if any of the ten projects are worthy of deficit spending or if the board would like to consider the projects for the 2024 FY budget as a regular expenditure.

The board does not have to spend all the unreserved fund balance in 2023. However, the board will have to allow for multiple years to pass in between deficit spending because it will appear to DCED that it will have then become purposeful and not intentional deficit spending.

The estimated fall assessed value of Halfmoon Township property is \$80,920,345.00. Therefore, each mill of tax will bring in approximately \$80,920.35 in current revenue. The projected millage rate due the abolishment of the Fire Tax Levy for the General Fund as well as an anticipated tax decrease is 5.37 mills. The line item accounts for a 97% collection rate. The anticipated tax decrease will decrease the citizens of Halfmoon Township's County/Municipal Real Estate tax bill by an average of \$71.17, but can range from as low as \$0.24 and as high as \$312.00 depending upon assessed value.

310.10 Real Estate Transfer Tax	\$	76,850.30	\$	76,698.87	\$ 77,721.02	\$ 77,090.06

The Real Estate Transfer taxes are paid when property transfers from one property owner to another. The transfer tax is levied at 2.75% of the sale value, with 1.0% allocated to the Commonwealth of Pennsylvania, 0.5% assigned to the School District, and the remaining 1.25% allocated to the Township. This tax revenue varies with the number of real estate transfers in any given year. Historically, the Township has witnessed regular property turnover.

310.20 Earned Income Tax	\$ 510,040.22	\$ 558,394.84	\$ 540,000.00	\$ 536,145.02

The Earned Income tax is levied on the employees residing in the Township. The Township's tax rate is 1.45%. The Centre Tax Agency (State College Borough) collects the tax. The collection deduction is 2.4% of the tax collected for the Township deducted from the gross amount. The Township will net the remaining 97.6% of the taxes collected. The fee is then reconciled with actual costs on an annual basis, and any differences are adjusted at that time. The Township has received a refund based on the reconciliation of actual costs each year.

310.50 Local Services Tax	\$	1,560.84	\$ 2,134.08	\$ 2,219.17	\$	1,971.36

Effective January 1, 2009, the Local Services Tax (LST) was enacted. The LST is levied at \$10 per year, five dollars (\$5) of the total tax is allocated to the State College Area School District (SCASD) and the remaining, or \$5, assigned to the Township. The State College Borough is the current collector of the LST tax for the Township. The Borough deducts a 3% collection fee from gross collections before remitting to the Township.

436.25 Stormwater Maintenance & Repairs	\$ -	\$ -	\$ 34,590.68 \$	-

Accounts for materials to rebuild inlets and repair pipes are not associated with a particular capital road project. This account is used for consumables by the Public Works Department, including concrete, topsoil, seed, matting. In 2023, this line item will be merged into line item 438.25, as most projects require both road and stormwater maintenance in conjunction with one another.

437.25 Equipment Maintenance & Repairs	\$	8,150.25	\$ 2,483.75	\$ 7,722.52	\$ 16,500.00

This account is used to purchase parts for all vehicles and equipment repairs or maintenance. While most work is done by staff, outside service are sometimes needed to accomplish certain tasks, those expenses are also included in this line item. In 2023, this line item includes:

1. (2) Steering Tires for the 2002 Sterling (\$1,000)

2. Miscellaneous equipment maintenance and repairs (\$15,500.00)

Although the line item accounts for a majority of miscellaneous repairs and maintenance, this line item is rarely going to contain specifics, but must stay moderately funded due to the advancing age of the equipment. The equipment, minus the newly purchased Western Star has an minimum age of 14 years and will require more maintenance and repairs than newer equipment.

438.25 Road Maintenance & Repairs	\$ 4,227.26	\$ 10,756.21	\$ 9,500.00 \$	30,000.00

This line item is used to purchase supplies and materials for the roadway areas that may not qualify for liquid fuels reimbursement. This account is for general road supplies and materials such as seed, topsoil, weed spraying applications, other various supplies commonly used by municipalities. In 2023, this line item includes:

1. Rental of Crack Sealer (\$2,500.00)

2. 2RC for Various Township Berms or Davison Road (\$6,400.00)

3. Asphalt for Various Township Roads (\$3,000.00)

6. Inlet Box Supplies (\$3,600.00)

7. #4 Stone for Various Township Stormwater Needs (\$3,600.00)

8. RoadBotics Subscription (\$2,750.00)

The remaining funding accounts for possible inflation or contingency items that may arise over the course of 2023.

This account is used to record miscellaneous operating expenditures. In 2023, this line item includes the following:

1. Delta 96 Gallon Rectangular Liquid Transfer Tank (\$440.00)

2. Fuel Hand Pumps for Gasoline (\$240.00)

3. (4) Outdoor Steel Trash Can With Dome Lid @ \$900/Each (\$3,600.00)

The requests for the transfer tank and hand pump for gasoline stem from another current safety concern. The current procedures for obtaining gasoline is filling anywhere between 10 and 15 gas cans at a convenience store and placing the cans in the bed of one of the trucks. This occurs bi-weekly to weekly depending upon the time of year. Most if not all of the cans are currently leaking which if sparked could cause a major issue. The purchase of the transfer tank and handpump would allow for the Public Works Department to obtain gasoline fewer times a month as well as perform the task safer than currently being done.

The request for the new trash cans are to potentially stop an issue of overuse of the one trash can currently located at Autumn Meadow Park. The trash can currently there is not sufficient for the entire park as well as the lack of lid causes for rain water to fill the bags and create an sanitation issue.

The remaining funding accounts for possible inflation or contingency items that may arise over the course of 2023.

This account is for general park supplies and materials such as seed, topsoil, weed spraying applications, mulch for trees and landscape beds, other various supplies commonly used by municipalities. In 2023, this line item includes the following:

- 1. Weed Spraying Applicator and Supplies (\$825.00)
 - 2. Municipal Lane Bleacher Repairs (\$700.00)
- 3. Possible Mulch/Wood Carpet Purchase (\$1,850.00)

454.26 Park Equipment	\$ -	\$ 155.00	\$ -	\$ 25,000.00

This account is used for the purchase of new park equipment or park equipment replacement. This account also includes the purchases of new lawn mowers as well as any other equipment purchase not related to playground equipment. In 2023, this line item includes the following:

- 1. ZT7000 Zero-Turn Mower (\$15,790.00)
- 2. BWISE Equipment Trailer (\$5,831.00)

The need for a lawn mower was established in the fall of 2022, when an engine expired in one of the two available lawn mowers. The cost to rebuild the engine was quoted to be estimated over \$3,000. This prompted staff to begin seeking a new lawn mower, since replacing the current lawn mower's engine would not guarantee another aspect of the mower from failing. The request to purchase a trailer coincides with the incident with the lawn mower, as the engine failed on the travel between 100 Municipal Lane Park and 101 Autumn Circle. This could have potentially been a huge safety issue depending upon where the engine expired.

This line item accounts for the fact these quotes were from 2022 and not for 2023, so an inflation estimate of 16% was also included in the figure.

The 2nd Class Township Code states, the Board of Supervisors may appoint and determine the compensation of a Township Solicitor. The Township Solicitor shall be licensed to practice law in this Commonwealth and may be one person or a law firm, partnership, association, or professional corporation. The Township Solicitor serves at the pleasure of the Board of Supervisors. In 2022, the township utilized the services of Salzmann Hughes. In 2023, Salzmann Hughes will increase their fees 3% per the original agreement. In 2022, the board averaged 5 hours a month, this will be followed through to 2023.

This line item would also include special council. The firms are as follows:

- 1. Salzmann Hughes (\$170/hr.)
- 2. McQuaide Blasko (\$150/hr.)

Salzmann Hughes is the primary solicitor for the township. McQuade Blasko is used if a conflict of interest should arise.

Halfmoon Township participates in the Municipal Liquid Fuels Program in the Commonwealth of Pennsylvania. In the program municipalities receive money annually to support the construction, reconstruction, maintenance, and repair of public roads or streets. The amount of a municipality's allocation is based on its population (2,790) and miles of roads (20.39) on its approved liquid fuels inventory. Annually, a municipality may use 20% of their net allocation for the purchase of major equipment. In September 2022, the Township received a letter from the Commonwealth of Pennsylvania that the estimated Liquid Fuels allocation in 2023 would be \$113,596.52.

This line item accounts for the purchasing of salt and anti-skid for snow and ice removal. The Township purchases salt from the Commonwealth of Pennsylvania's Cooperative Purchasing Program. The Township bids out the purchase of anti-skid during it's annual materials, equipment and labor bid package. In 2023, this line item includes the following:

> 1. Salt (\$18,158.90) 2. Anti-Skid (\$5,965.63)

The salt estimate is based off of contractual obligations of 100 tons and the current pricing of \$84.46 per ton and 100 tons at the projected 2023 price of \$97.13 per ton, which is a 15% increase. The anti-skid estimate is based on 250 tons of anti-skid and the estimated 2023 pricing of \$23.86 per ton which is a 15% increase.

The additional funding accounts for a possible contingency increase in needed supplies.
